COUNTERTOP

A close-up view of a marble surface with a light beige or cream color. It features several thin, dark, wavy veins running diagonally across the frame. The texture appears smooth and polished.

 **SPRING FALLS**

A close-up view of a marble surface with a dark, muted green or slate color. It has a subtle, swirling pattern and a few thin, light-colored veins. The overall appearance is elegant and sophisticated.

 **JADORE**

A close-up view of a marble surface with a light blue or greyish-blue color. It features prominent, dark brown or reddish-brown veins that create a complex, swirling pattern. The texture is highly detailed and dramatic.
